

BOWTIE PASTA BUTTERFLIES

Lesson of the Day:

Whatever path you take, it's your path. Make decisions wisely so that you take a path that leads where you want to go. Sometimes you may take a wrong turn, or the path make take some curves you aren't expecting, but keep your goals in mind and you can make it.

Materials:

- Bowtie pasta
- Paint
- Black markers
- Glue

Instructions:

1. Discuss the lesson of the day with your students. Talk about what it means to them.
2. Have students paint pieces of bowtie pasta with butterfly patterns
3. Have them glue the pieces of pasta to the paper.
4. Have students draw dotted lines behind the butterfly to show the butterfly's path and antennae.
5. Have students Color the picture around the butterflies- they can add clouds, grass, and other things.
