

CAT IN THE HAT MASKS

Lesson of the Day:

Look for yourself in others! Try to find things that you have in common with the people around you to build connections. Try your best to understand how they feel and why they are doing what they are doing. Put yourself in their shoes.

Materials:

- Paper plates
- Red construction paper
- Black felt
- White paper
- Glue
- Scissors

Instructions:

1. Discuss the lesson of the day with your students. Talk about what it means to them.
2. Have students cut a hole in the center of their paper plates. Have them also cut a piece of white paper to the right size for the whole hat.
3. Have students cut out stripes from red construction paper and glue them to the white paper of the hat.
4. Have students cut out (or give them) ear and whisker shapes from black felt.
5. Have them draw and cut out a red bow tie. Have students glue all the pieces of the mask together.
6. Glue the mask to a popsicle or craft stick.
