

CLOTHESPIN DRAGONFLIES

Lesson of the Day:

Dragonflies love to live in places where it's very wet, especially places like swamps. Is a swamp a beautiful place? Not always. But dragonflies are proof that you can find beauty anywhere if you are looking. Always look for the positives around you and you'll notice great things everywhere.

Materials:

- Clothespins
- Paint
- Markers
- Pipe Cleaners
- Glue
- Googly Eyes
- Glitter Glue/Sequins

Instructions:

1. Discuss the lesson of the day with your students. Talk about what it means to them.
2. Have students decorate their clothespin with markers or paint and add googly eyes.
3. Use pipe cleaners wound together to be wings and clip them into the clothespin to hold them.
4. Have students add details with glitter or sequins.
