

COFFEE FILTER BUTTERFLIES

Lesson of the Day:

Butterflies come in a million different colors and patterns. Everyone is colorful on the inside and has a million different patterns within them. Show us your beautiful colors!

Materials:

- Coffee Filters
- Eye droppers
- Watercolor paint
- Clothespins
- Markers
- Pipe cleaners
- Googly eyes

Instructions:

1. Discuss the lesson of the day with your students. Talk about what it means to them.
2. Have students use an eye-dropper to drip watercolor paint onto the coffee filters. They can use any colors and pattern they want.
3. While the coffee filter is drying, have students color and decorate their clothespin. They can also twist and prepare their pipe cleaners.
4. Once the coffee filter is dry, have students put them in the clothespin as wings.
