

DONUT FRIEND

Lesson of the Day:

Enjoy life! Find the things that make life worth living, big and small- friends, love, art, fun, donuts and enjoy! Make sure that you spread the love, too. If you have two donuts, give one to someone else! Make a new friend!

Materials:

- Large paper plates (1 per student)
- Scissors
- Large googly eyes
- Brown paint
- Glitter
- Foam brush
- Brown pipe cleaners
- Stapler

Instructions:

1. Discuss the lesson of the day with your students. Talk about what it means to them.
2. Cut the donut hole in the middle of the plate
3. Have students paint the donut brown. Let dry.
4. Have students put glue around the donut hole and decorate with glitter. Shake off any excess
5. Give each student 2 pipe cleaners, one of which is cut in half for the arms. Fold as desired and staple to the plate
6. Draw a smile and glue googly eyes.
