

FALL TREE JARS

Lesson of the Day:

Let your light shine! Everyone has a beautiful light inside of themselves. Sometimes we get shy or we worry that people will judge us, so we lower the light and hide it away. Let your light shine out and others will see how brave you are and do the same!

Materials:

- Mason Jar
- Mod Podge
- Orange tissue paper
- Light green tissue paper
- Yellow tissue paper
- Red construction paper
- Candle
- Paintbrush

Instructions:

1. Discuss the lesson of the day with your students. Talk about what it means to them.
2. Have students paint part of the jar with Mod Podge using a paintbrush. Place small pieces of tissue paper over the glue. Do not layer too thick.
3. Have students cover the entire jar this way.
4. Have students make trees with brown construction paper
5. Have students tamp down little edges of the tissue paper by painting over them with Mod Podge.
6. Put a candle inside the jar to shine a little light!
