

FELT SNOWMAN PUPPETS

Lesson of the Day:

Even those who appear cold, need a warm hug sometimes! Be kind and spread love and warmth. Maybe you can help warm someone's heart and help them to be happier.

Materials:

- White felt
- Black felt
- Colorful felt
- Craft sticks
- Small puffballs
- Glue
- Scissors

Instructions:

1. Discuss the lesson of the day with your students. Talk about what it means to them.
2. Have students cut out circles from white felt to make the snowman's body. They should also cut out a hat from black felt.
3. Have students cut out facial features and a scarf.
4. Have students glue all the snowman features together and add a few small puffballs as the buttons.
5. Have students glue the snowman to a craft stick to make it a puppet.
