

# FORK STAMPED TULIPS

## Lesson of the Day:

There are over 150 species of tulips with over 3,000 different varieties. Tulips are part of the lily family. Tulips only bloom for 3 - 7 days in the spring.

## Materials:

- Fork
- White paper
- Paint (green and various colors)
- Paintbrush

## Instructions:

1. Discuss the lesson of the day with your students. Talk about what it means to them.
2. Place the white paper down, and have the students paint a green stem with the paintbrush on the white paper.
3. Students will then use the paintbrush to put a color on the fork. Then place the fork slightly above the green stem to make the tulip top.
4. Repeat steps 2 and 3 until the students have filled the white paper.
