

LABOR DAY HATS

Lesson of the Day:

Police officers and Firefighters risk their lives every day to help keep us safe. But we have to remember the people who do things for us that we may forget about, like bringing us the mail. Even the small things make our lives better. Try your best to do small things every day to help out others and make their lives easier!

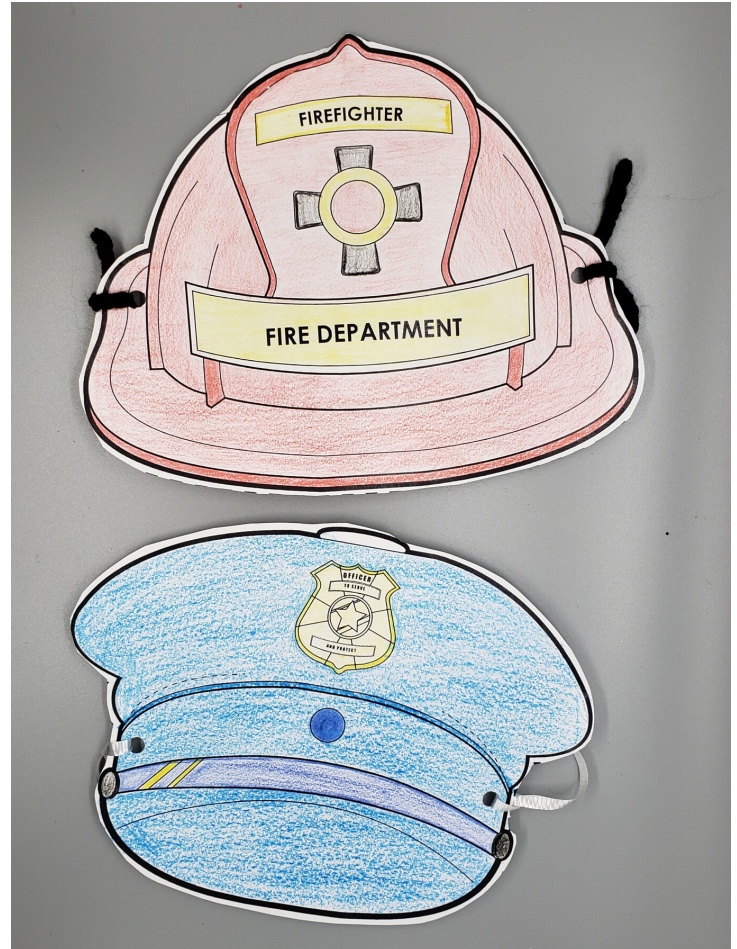

**LABOR
DAY**

Materials:

- Worksheets
- Markers/Colored Pencils
- Hole punch
- String
- Scissors

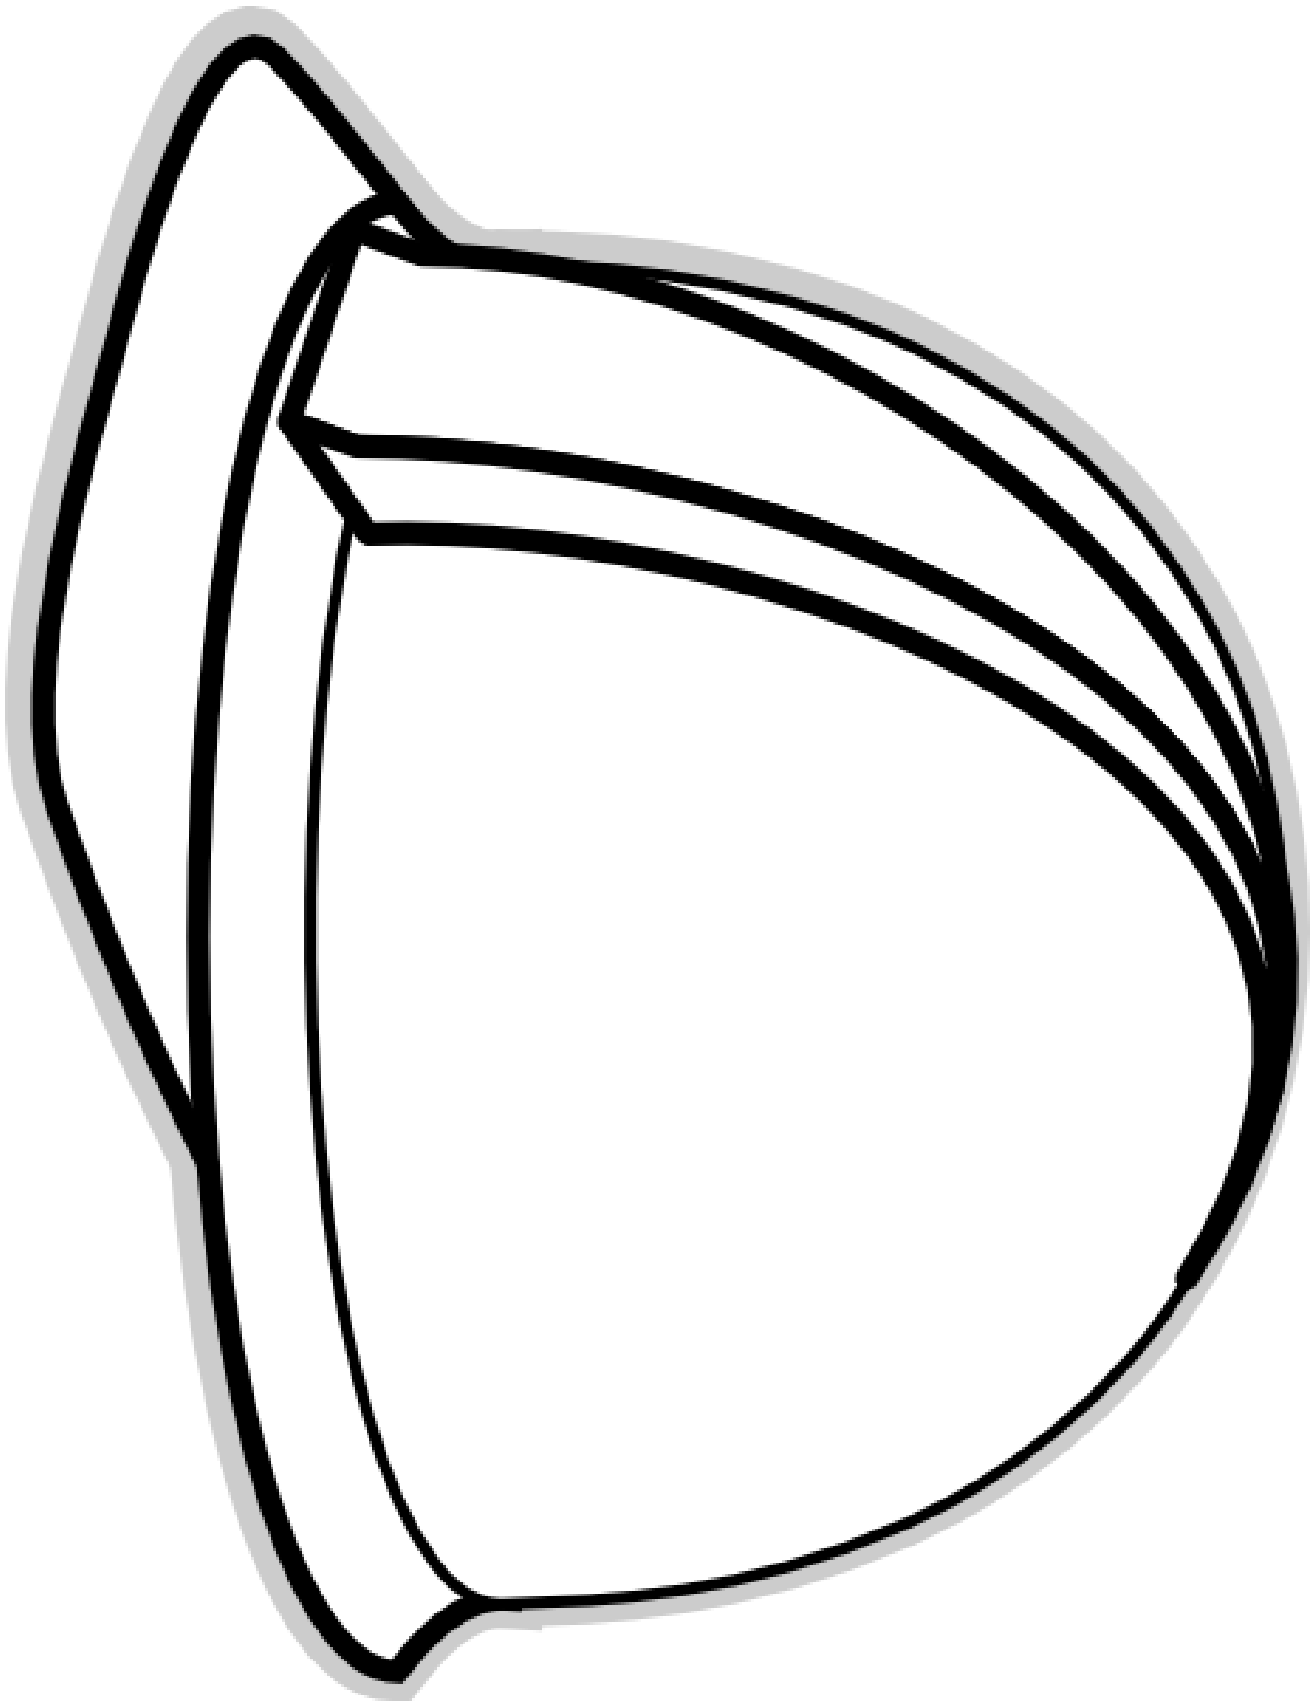

Instructions:

1. Discuss the lesson of the day with your students. Talk about what it means to them.
2. Have students color and cut out the hats found in the pages that follow.
3. Punch holes in the hat for the string.
4. Have the students tie string to the hat so they can wear it.
5. Talk about all the things these people do for us every day.
