

# PAPER HATS

## Lesson of the Day:

Different people like different things and that's okay! It's more than okay, it's what makes the world beautiful!

Today, make exactly the hat you want and wear it with all your classmates while they all wear their hats. Have fun and enjoy being you!

## Materials:

- Paper
- Markers
- Glue
- Sequins
- Feathers
- Colorful construction paper
- Ribbons
- Scissors
- Hole puncher
- Elastic string

## Instructions:

1. Discuss the lesson of the day with your students. Talk about what it means to them.
2. Allow students to cut their paper into whatever shape they want their hat to be in.
3. Have them color and decorate their hat as they would like.
4. Punch holes in the sides of the hat and tie an elastic string so that kids can wear them around their heads.
