

PAPER PLATE FISH

Lesson of the Day:

Just keep swimming! Never give up! Things may be hard sometimes, but if you just do your best and keep trying, you'll get it in the end.

Materials:

- Paint, various colors
- Paper plates
- Glue
- Scissors
- Googly eyes
- Sequins, glitter glue, other decorations

Instructions:

1. Discuss the lesson of the day with your students. Talk about what it means to them.
2. Have students cut a paper plate to make fins and the tail. Attach them to the fish body paper plate.
3. Have students paint the paper plate in the pattern of the fish they want to create.
4. Have students add googly eyes and other details, like sequins or glitter glue if desired.
