

RAINBOW SHAMROCKS

Lesson of the Day:

Make your own luck! Sometimes, people rely too much on luck. They wait for something good to happen to them. But you have to go out in the world and work hard to make things happen. If you do your best and try your hardest, you can make the most amazing things happen!

Materials:

- Coffee filter
- Watercolor paints
- Glue
- Scissors
- Black construction paper

Instructions:

1. Discuss the lesson of the day with your students. Talk about what it means to them.
2. Have students use watercolor paints to make a rainbow on their coffee filter.
3. Have them draw or trace a shamrock on a piece of paper. Have them trace a smaller shamrock on the inside to leave just the outline of the shamrock.
4. Have them cut out the shamrock and glue it to the coffee filter. Cut the excess filter from around the edges.
