

SPARKLY SNOWFLAKE

Lesson of the Day:

Don't be afraid to show your sparkle! All those beautiful things about you are the things that should give you confidence. Appreciate other people's sparkle too! The things that make people different are the things that make them beautiful!

Materials:

- Popsicle sticks
- Hot glue gun
- Markers/colored pencils
- Glue
- Sequins
- Glitter glue

Instructions:

1. Discuss the lesson of the day with your students. Talk about what it means to them.
2. Hot glue together four popsicle or craft sticks in a snowflake shape.
3. Have students color the popsicle sticks using markers and/or colored pencils.
4. Students can then glue on sequins or add glitter glue to make sure that their snowflakes sparkle.
